Dear Customers,

Imagine the fun you'll have with the all-new Mary Kay[®] Virtual Makeover. You can create incredible looks for yourself with Mary Kay[®] mineral colors – all with the click of your mouse. It's so easy and loaded with more great features like these:

- Upload your photo.
- Pick a model who looks like you.
- Try looks created by professional makeup artists.

- Customize your own look.
- Save up to 10 looks.
- Plus, print and e-mail looks to friends.

After you've created the virtual looks you love, I can help make them real with the hottest products today – the Mary Kay® mineral colors! So check out my Mary Kay® Personal Web Site. Then contact me for free samples, a free color consultation, a free personalized makeover or to order your new looks right away!
